Return to Work **Matters**
THE RESOURCE FOR RETURN TO WORK PROFESSIONALS

RTW Events and Training Calendar

RTW Events and Training Calendar

As a service for our members, we search the web regularly to maintain this extensive list of return to work related conferences, workshops and training sessions offered Australia-wide.

All events listed here are conducted by external training providers and event holders. Members should contact the providers directly to determine suitability, learning objectives and to book their place.

This list is up to date as of **15th June 2019**. We update our Events directory online throughout the year. If you are a service provider, and would like to have your conference or training events listed, please submit online at www.rtwmatters.org or contact us directly.

Conference/Symposium

July

NSW REGIONAL SAFETY CONFERENCE AND EXPO

Provides an opportunity for regionally based businesses to access a quality, world-class event with a range of educational and interesting information.

The NSW Regional Safety Conference & Expo provides access to presenters talking about general workplace safety, mental health, hygiene, wellbeing, resilience, technology and leadership.

The exhibition element of the event allows attendees to gain valuable information, test out products and speak directly to representatives, as well as network with industry professionals.

SISA Closing the Loop 2019 – Injury Prevention and Return to Work Conference

Closing the Loop 2019 will continue its strong record of exposing attendees to leading-edge subjects from that challenging interface between work health and safety and return to work and the promotion of new knowledge and skills. The conference will also continue to review the developing shape of the Return to Work Act 2014 through emerging case law. In 2019 the event will also be looking at more of the emerging and as yet poorly understood risks in the world of work and wellness.

Closing the Loop 2019 will again be a thought-provoking mix of risk and reward, drawing on examples from a range of subject areas. It will appeal to those who manage people and workplaces as well as WHS and RTW practitioners.

Visions Conference

Visions 2019 provides the perfect opportunity to network with your peer group while experiencing contemporary and best-practice OHS solutions showcased by fellow safety professionals. Take advantage of the opportunity to rub shoulders with a variety of specialist safety, academic, legal, medical, allied health and government professionals and ask all those tricky questions – you never know who you might be sitting next to in a workshop or at the conference functions!

» [To register to this event please click here.](#)

SAFETYconnect 2019

SAFETYconnect 2019 will feature a two day, dual stream conference run by the NSCA Foundation, and a premium exhibition featuring over 40 leading vendors. This targeted industry event will attract senior WHS and business professionals from a broad range of industry sectors, including transport, construction, education, infrastructure, manufacturing, mining, utilities, government and more.

The conference will feature new papers from local and international experts and the expo floor will feature the latest products, services and technology solutions in the ever-changing WHS sector.

October

Perth Safety Symposium 2019

The theme this year, SafetyGenX:M: 2020 and beyond - Health and Safety in the next decade is about people! You will hear from a series of speakers sharing how they are being 'forward thinking' in managing risk into the next decade to an acceptable level, by focusing on their people!

The format is engaging, entertaining and fast paced. Each presentation providing informative, practically applicable concepts, grounded in real world proven research designed to challenge each attendee to open their mind and expand their 'toolbox' when preparing to manage workplace health and safety risk into and beyond 2020 – as it's all about you and your people.
